Today’s Quotes

“For too long the church has relied upon the ministry being generated by the pastoral staff or lay leadership. But there is too much suffering and too many needs to limit ministry to staff and leaders... (We seek) a renewed faith for ordinary believers to do extraordinary exploits for God.” (Ken Houts)

“For a...church to be effective, the leaders must be ‘owners’ of the ministry, not simply administrators. They must feel they are co-laborers in Christ.” (Gary Harrison)

“I thank my God every time I remember you...I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.” (Philippians 1:3ff)
